

You can text your zip code to "477493" and receive a response of the nearest testing location and the Florida AIDS hotline number to access more information.

**Will there be a cost?**

There is no cost associated with the use of this program. Your cellular provider may charge a cost depending on your cellular plan.

**My agency was not listed?**

The text was limited to 160 characters so health departments are identified first then community-based organizations.

**How can I get my test site listed?**

The Department reviews its site content on a regular basis. If you're interested in your test site location being listed please forward the name of the agency, address (including zip code), and phone number to [April\\_Hogan@doh.state.fl.us](mailto:April_Hogan@doh.state.fl.us).

**Does this program cover the entire state?**

Yes.
